

Nurse Educators – multiple opportunities to volunteer!

Curriculum development at a university – 13 months – Ref: 10530537

Based at Satya Wacana Christian University in central Java, you will be working with colleagues to establish international standards in teaching health professionals.

Emergency Department at a major hospital – 13 months – Ref: 10531683

Based at Sanglah Hospital in Bali, you will be working with colleagues to support the development of a structured and planned in-service and professional development program for the nurses in the Emergency Division of the hospital.

Paediatric Department at a major hospital - 13 months - Ref: 10531684

Based at Sanglah Hospital in Bali, you will be working with colleagues to support the development of a structured and planned in-service and professional development program for the nurses in the Paediatric Division of the hospital.

Interested applicants should have experience developing Nurse Education Programs, working with multiple stakeholders and strong communication skills. You will also be willing and able to work in new and challenging environments where resources are not readily available.

Volunteers will be provided with a living allowance, airfares, insurance and accommodation. Only citizens or permanent residents of Australia are eligible to apply for this assignment.

To find out more and how to apply for the role, please visit www.australianvolunteers.com

Applications for these assignments close on November 7, 2011 and the assignments start in February 2012.

Should this timing not suit, please note that we recruit four times each year and you can register on our website to receive updates of new assignments.

Should you wish to discuss any of these roles further, please contact Sean Lynch on 03 9279 1832 or at slynch@australianvolunteers.com

AusAID, the Australian Government's overseas aid program, is proud to provide significant support for Australian volunteers who work in a development capacity overseas.
