

### REQUIREMENTS AND GENERAL RULES FOR RESEARCH GRANTS

This Society, in keeping with its stated objectives, wishes to encourage the initiation of research in all fields of nurse education practice by the provision of Seed Grants. The Seed Grants can be utilised in a variety of ways, such as:

- Initial assistance with identification and definition of a research problem;
- The purchase of infrastructure to allow development of a research proposal;
- The payment of research assistants for initial data collection; and
- Funds to provide early access to statistical consultation.

#### It is envisaged that:

- the level of funds available each year for Research Grants will be determined by the National Executive after analysis of the Society's current financial status;
- the funding year will commence with the appointment of each National Executive; and
- individual grants will not exceed \$2,000.00.

#### **CRITERIA FOR FUNDING APPLICATION**

- 1. Applicants are required to be current members of ANTS.
- 2. It is required that applicants have been members of the Society for a period of at least twenty four (24) consecutive calendar months immediately prior to application.
- 3. Previous recipients of ANTS' Research Grants are ineligible for further Grants for a period of twenty four (24) months from the time of the last Grant.
- 4. Such matters as access to and consent of subjects, confidentiality of data and subsequent reporting must be approached in a manner consistent with accepted standards of research ethics.
- 5. Applicants must undertake to provide report bi-annual progress reports to the Society in written and/or presentation format and a copy of the final research report.
- 6. The amount of the Grant will be subject to the scope and nature of the submission and granted at the discretion of the Research Sub-committee of ANTS' Council.
- 7. The support of The Society must be acknowledge in all publications and presentations derived from this research project.
- 8. Applications must be made on the appropriate form and forwarded to the Secretary.

Applications will be considered by the Research Sub-committee as demand dictates. All considerations will be based on the attached guidelines.
